

2030雙語政策

Bilingual 2030

From President Tsai's Inaugural Speech on May 20th, 2020

Raise the Nation's
Bilingual & Digital Capabilities

Further connect
with the world

Enhance the global
competitiveness of Taiwan's
talent and industry

Visions

Cultivate Taiwan's international talents.

- Cater to the demands of multinational corporations based in Taiwan.
- Connect domestic industries with the global market.
- Create top-notch job opportunities.

Domestic Industries need talents for their global supply chain deployment.

Multinational corporations based in Taiwan need bilingual local staff.

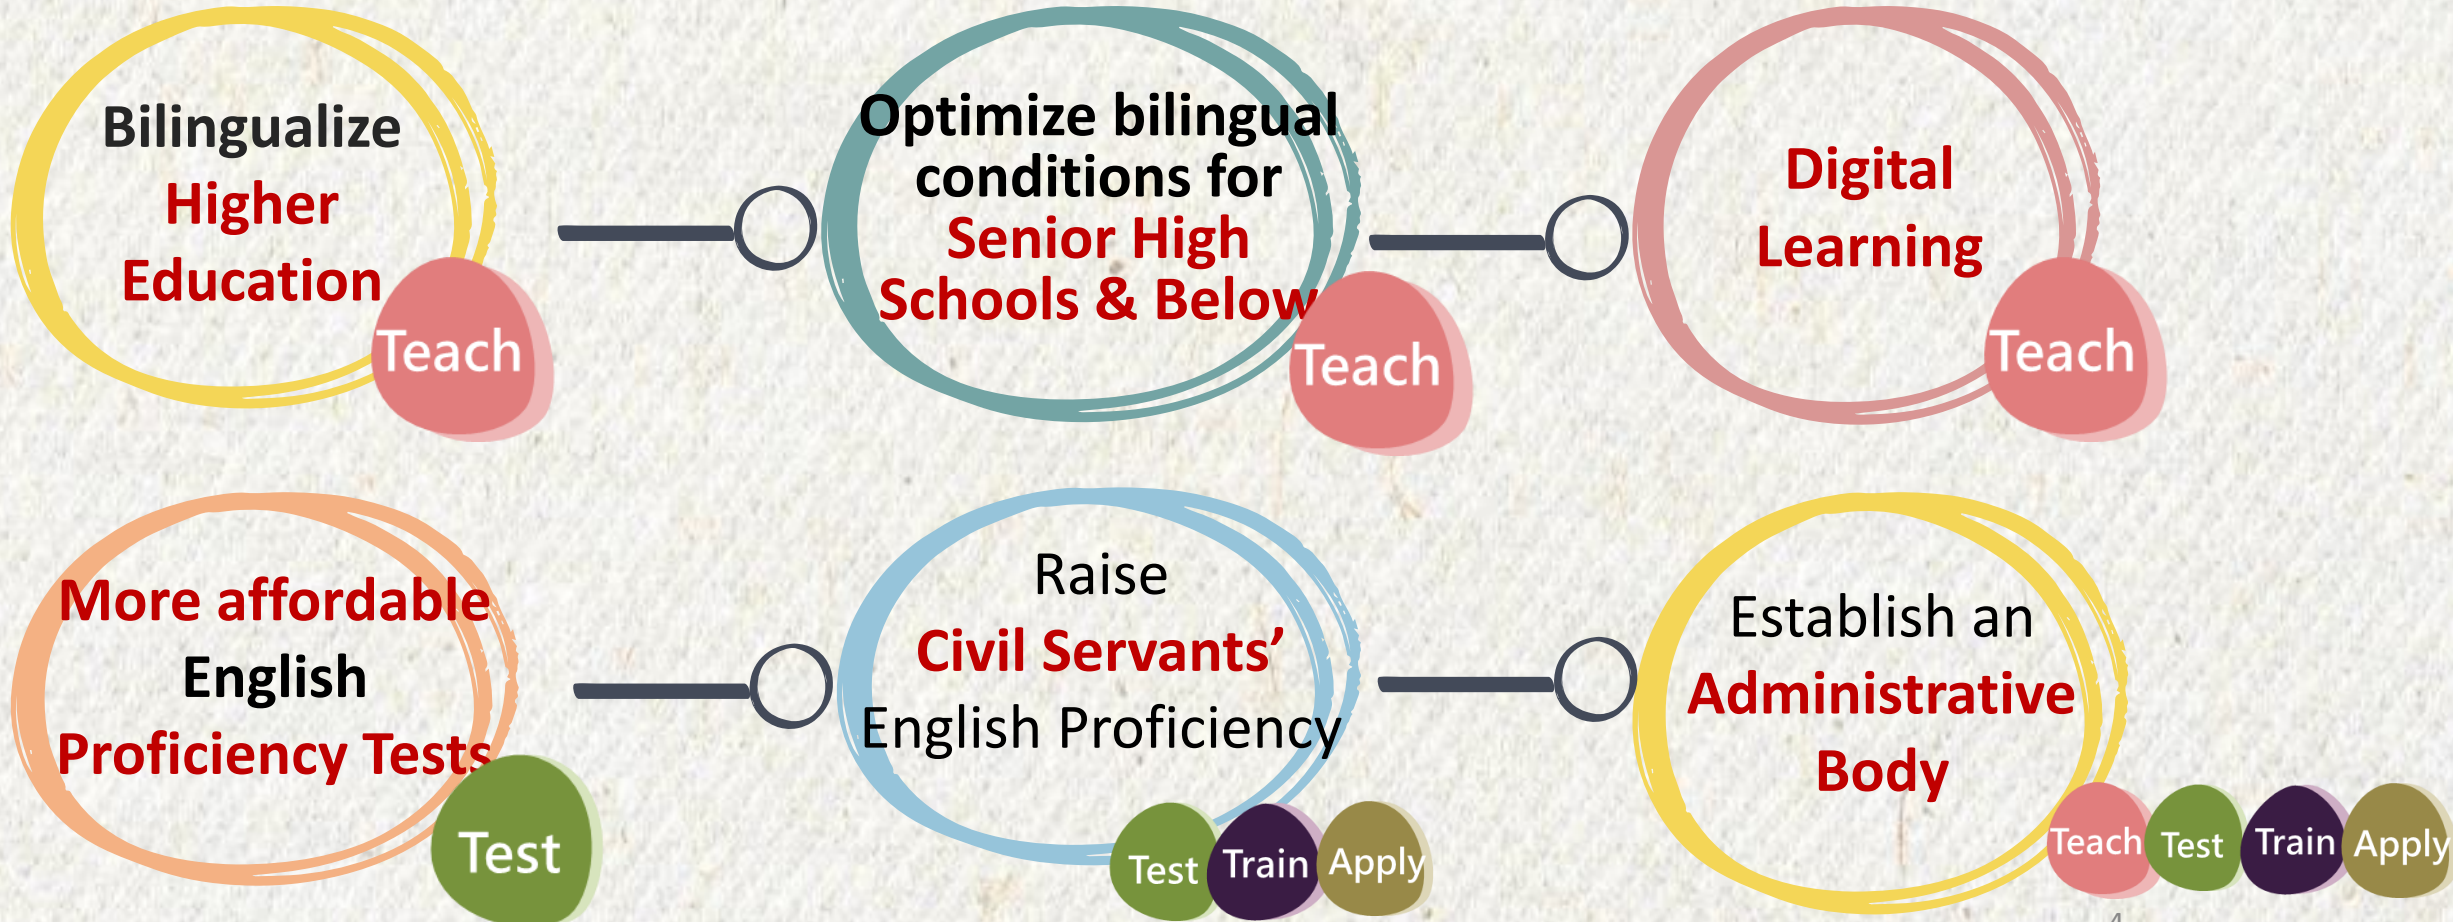

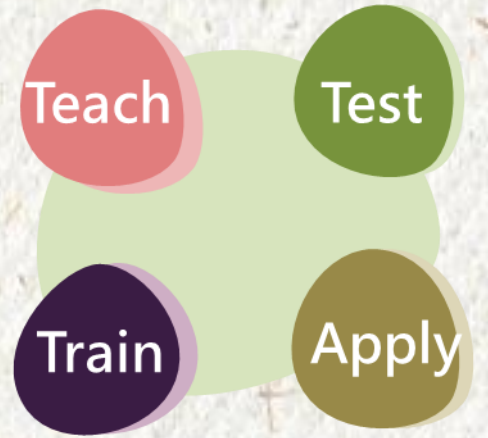

A Brighter Future for Future Generations

Our Strategy

Based on the four principles of “**Teach, Test, Train and Apply**” instructed by Premier Su, bilingual policies will be launched to enhance the international awareness and communication capability of our talents.

Administrative Body - 1/2

To provide long-term support for Bilingual 2030 Policy

Administrative Body

The Bilingual Policy Development Center

secure
✓ policy mandates and
✓ fundings
without being affected by government reshuffle

Administrative Body - 2/2

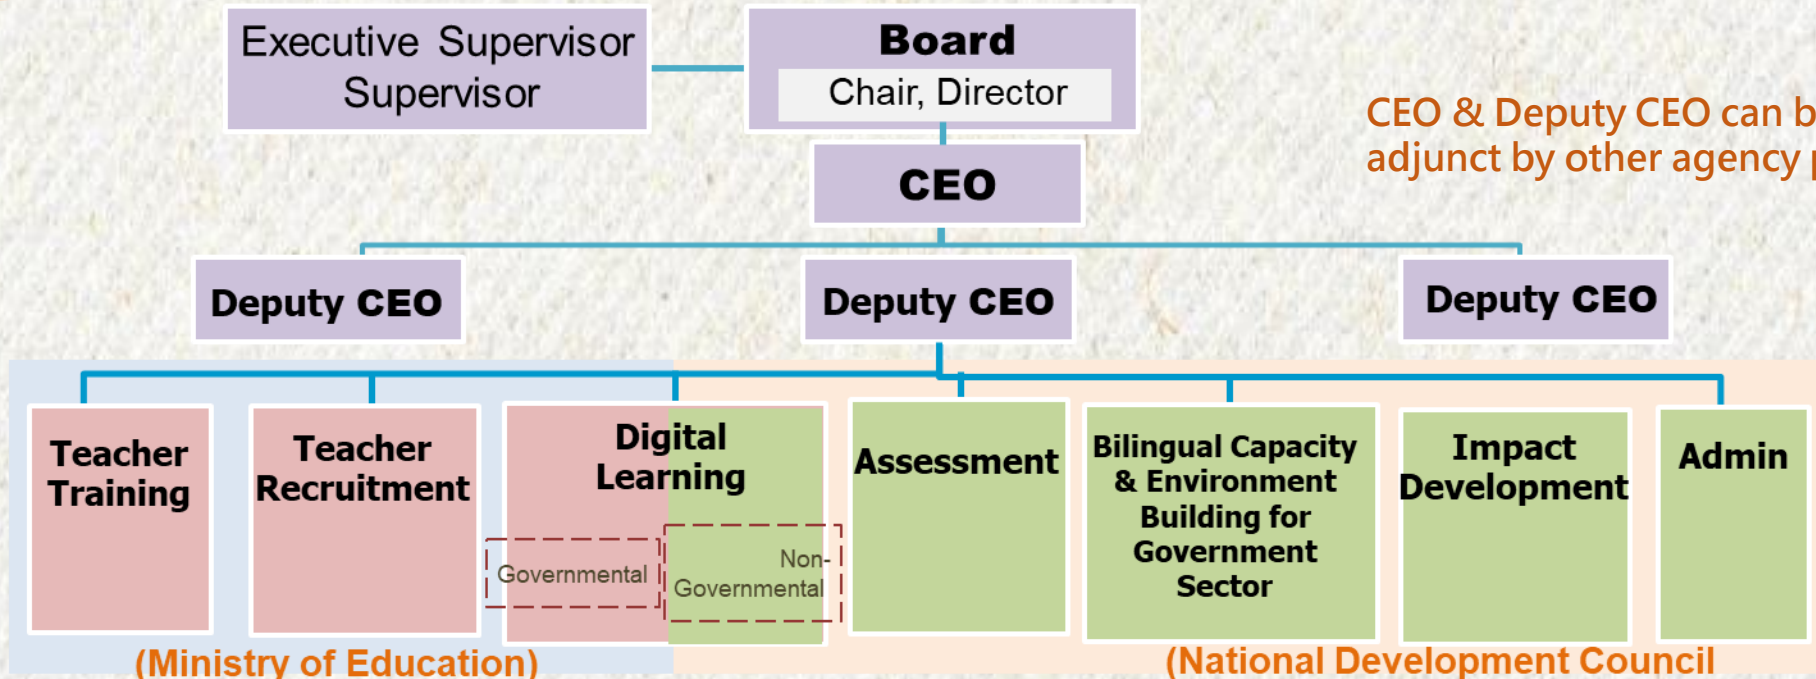

The Bilingual Policy Development Center

Supervising Agency : National Development Council (NDC)

- ▶ 33 articles in total
 - 9 : in view of the specificity of the administrative body
 - 24 : in view of the generality of the administrative body

CEO & Deputy CEO can be full-time or held adjunct by other agency personnel.

NDC will work with Ministry of Education on organization job scope and personnel planning.

“Bilingual 2030”

aims to make future generations
more **bilingual** and **competitive**
through consistent policy implementation.

**A Better Future for
Coming Generations!**
