- **Follow-up report on the conclusions of previous meetings (reporting unit: NDC):**

Conclusion: work relating to the seven conclusions of previous meetings: No. 2 and No. 3 “Stocktaking of freedom of information contents and channels of schools above high school level, it is suggested that related guidance principles or measures are set to encourage schools to disclose related school affairs information” have been included in “Youth Policy Participation” commitment, and agreement reached on the lifting of monitoring; the other five conclusions continue to be monitoring.

- **Reported matters**

1. Promotion progress of the “Complete Government Open Data and Data Sharing Mechanism” commitment (reporting unit: NDC)

Conclusion: Suggested that government gradually plan cross public-civic sector field standards in future, such as including the public transport travel related data standards of the Public Transport Data eXchange (PTX).

2. Promotion progress of the “Establish an Open Dataset Platform for Value-added Use” commitment (reporting unit: Ministry of Science and Technology)

Conclusion: Acknowledged.

3. Promotion progress of the “Enhance Information Access in the Freedom of Government Information Law” commitment (reporting unit: Ministry of Justice)

Conclusion: Regarding “consult the public about problems encountered when applying for government information,” please increase consultation channels via Online Participation in Public Policy (<https://join.gov.tw>)

4. Promotion progress of the “Facilitate the Formation of Labor Unions” commitment (reporting unit: Ministry of Labor)

Conclusion: Acknowledged.

5. Promotion progress of “Increase Indigenous Peoples’ Cross-Domain Participation and International Linkage” commitment (reporting unit: Council of Indigenous Peoples)

Conclusion: Regarding the cultural sensitivity advocacy, it is possible to consider cooperation with related social communities or use the Austronesian Forum website to increase the efficiency of advocacy.

6. Promotion progress of “Enhance Political Donation Transparency” commitment (reporting unit: Ministry of the Interior)

Conclusion: After completion of the “Report on Campaign funding transparency regulations and implementation situation”, distribute it to each civic member for reference.

7. Promotion progress of “Legislation of the Whistleblower Protection Act” commitment (reporting unit: Ministry of Justice)

Conclusion: Acknowledged.

- **End of meeting (4:50 pm)**
